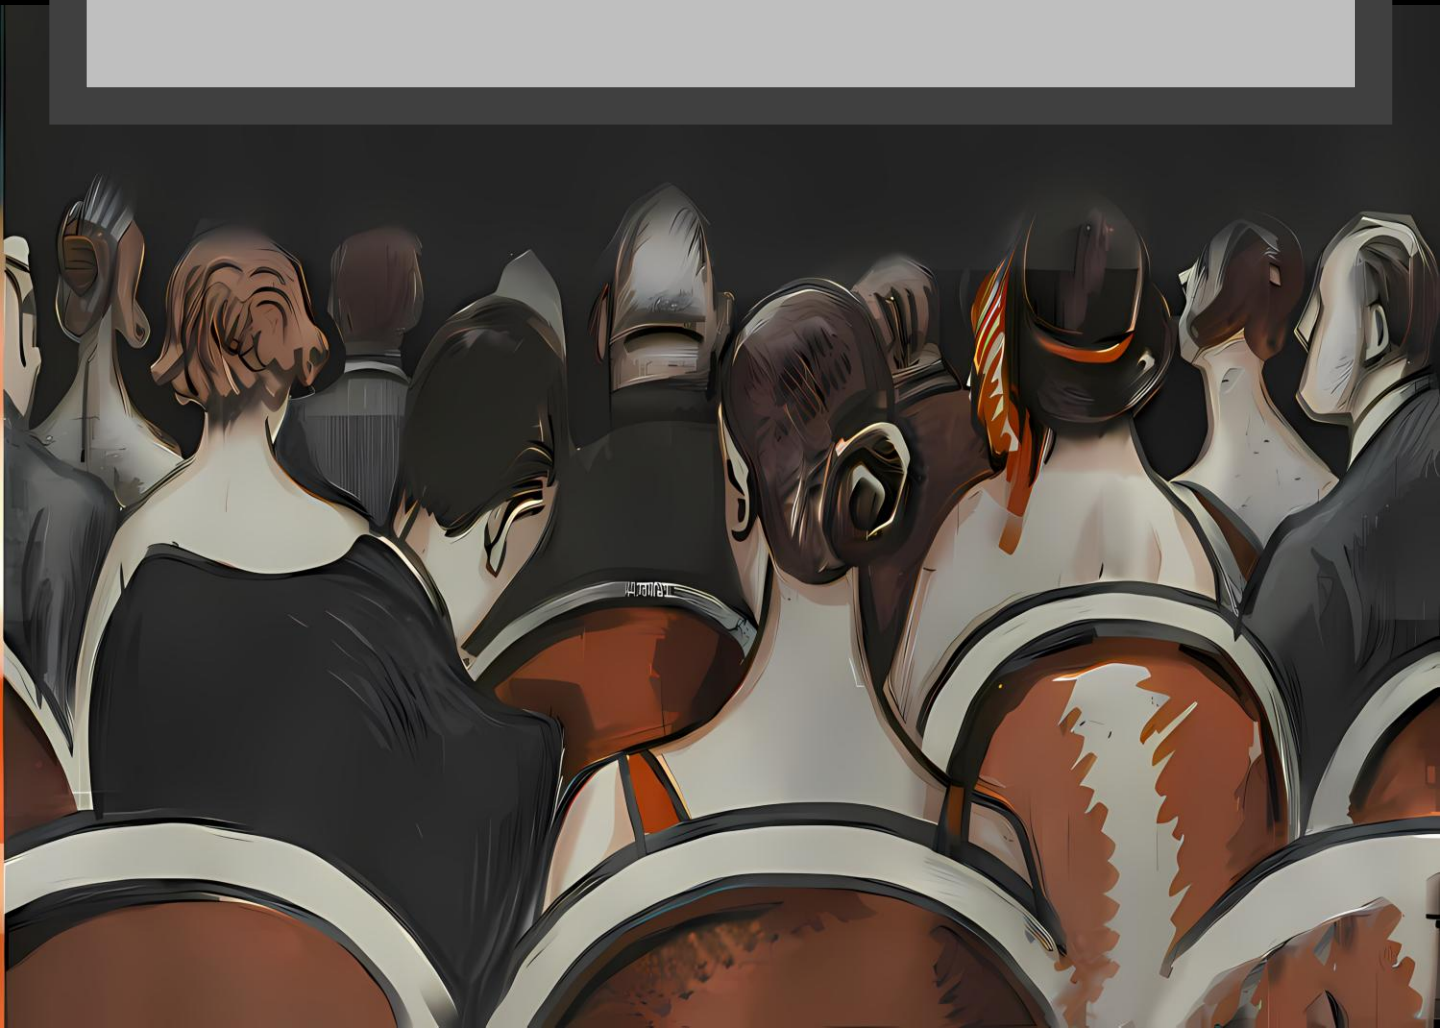
REMEMBERING
UNCLE ALBERT

Ladies and Gentlemen,

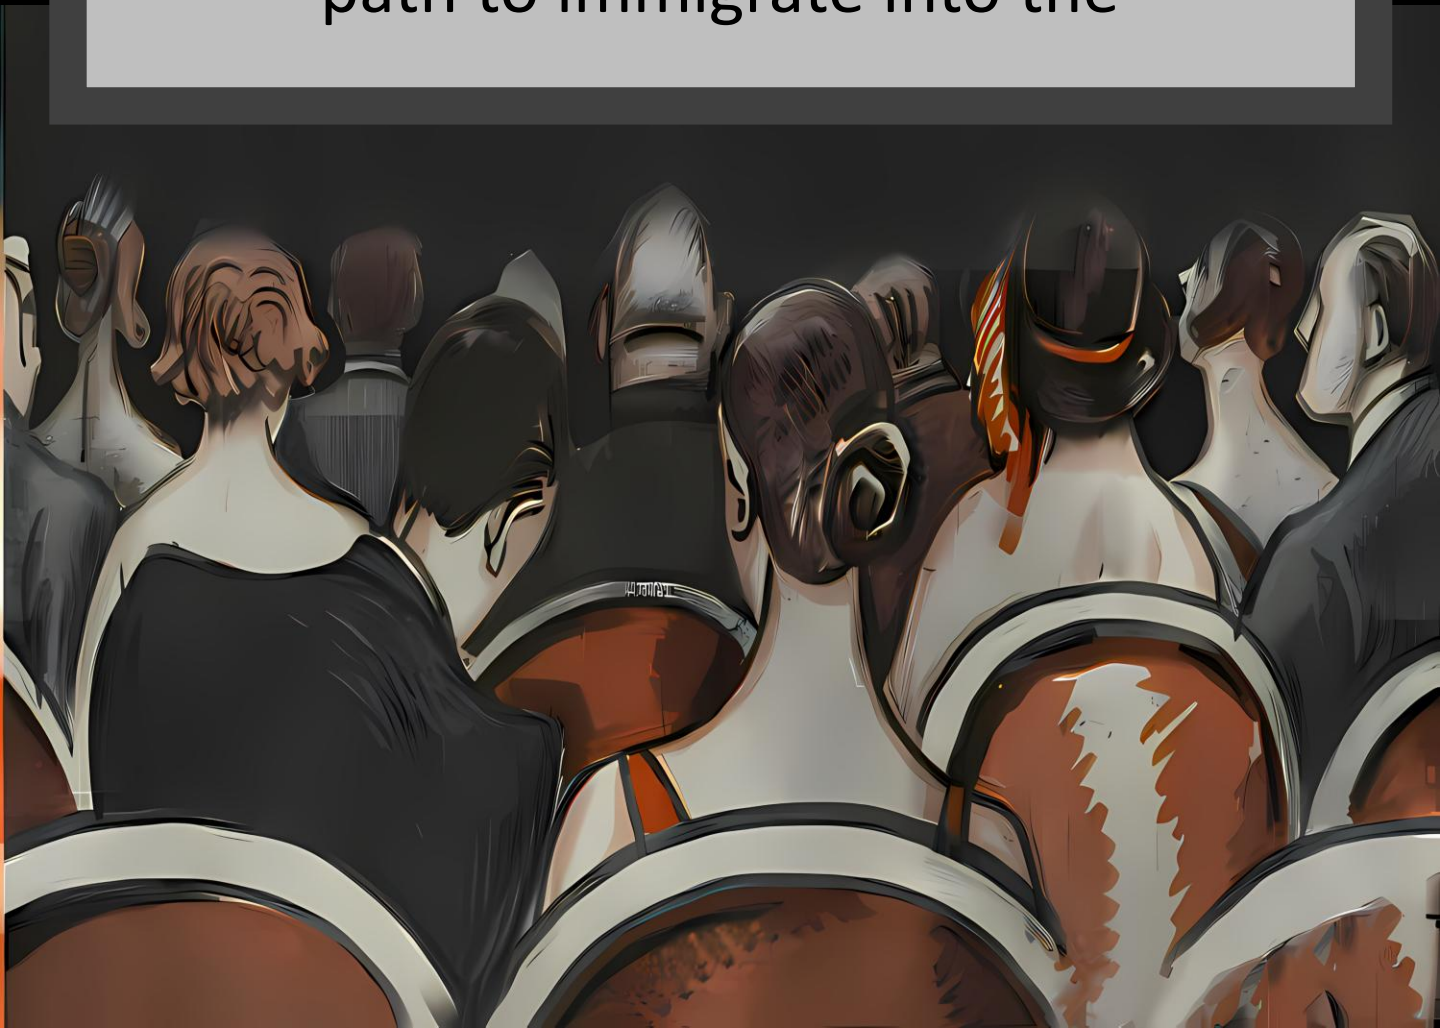
We gather here this evening to honor the illustrious career of the renowned explorer and esteemed spiritual master from the celebrated Alexandria Mystery School,

Mister Albert Meyer

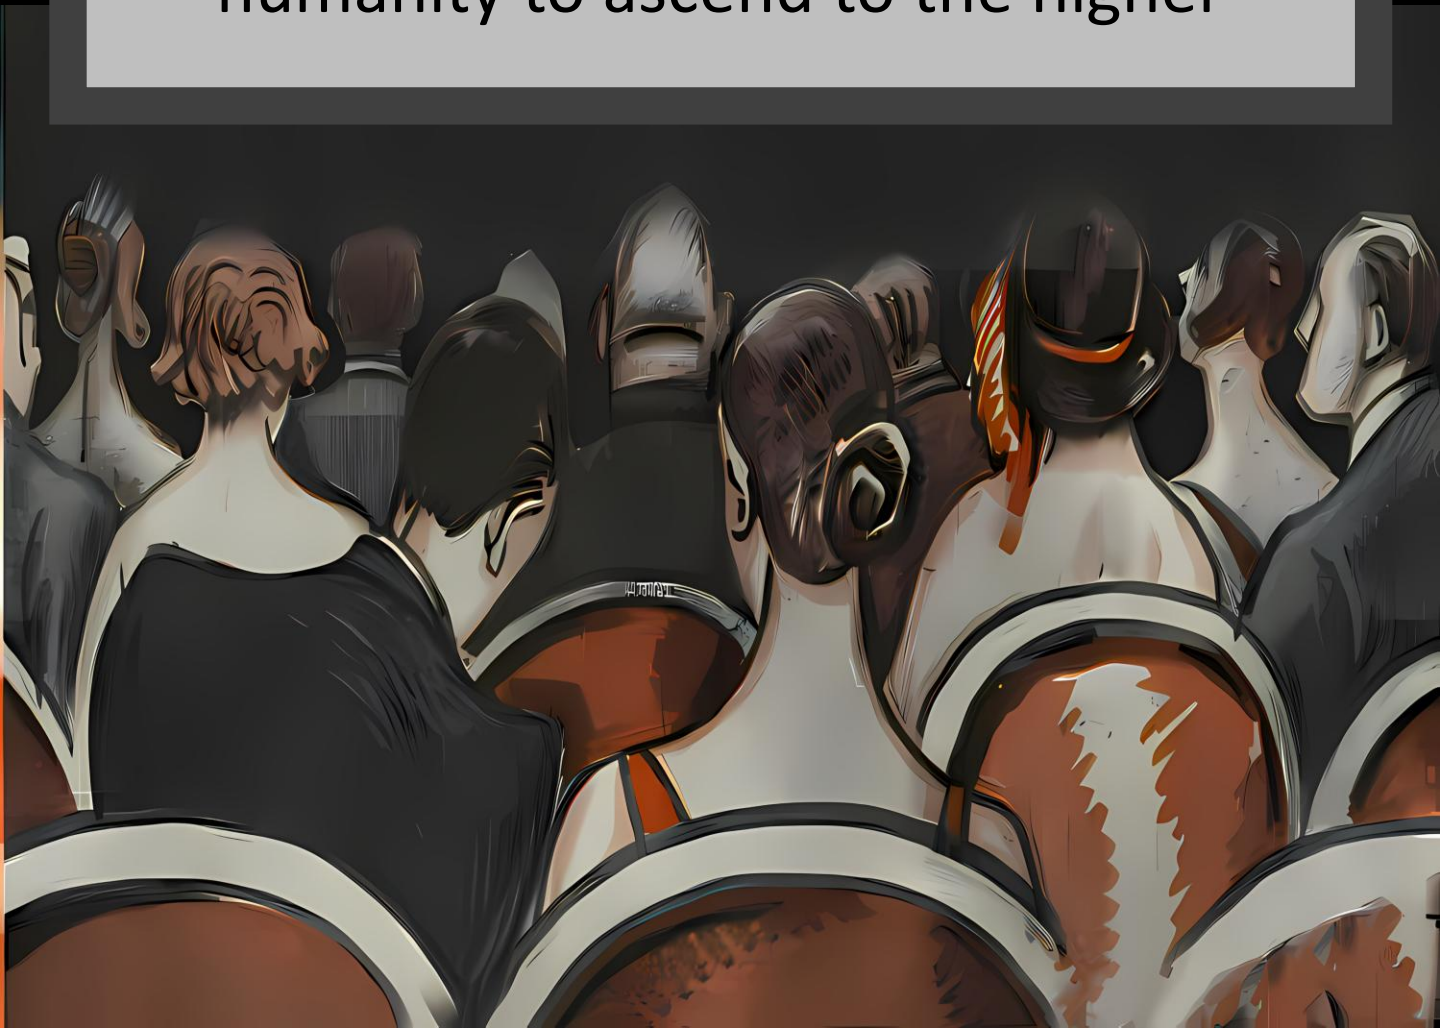
What better way to commemorate his remarkable journey than by welcoming him into the KitKat



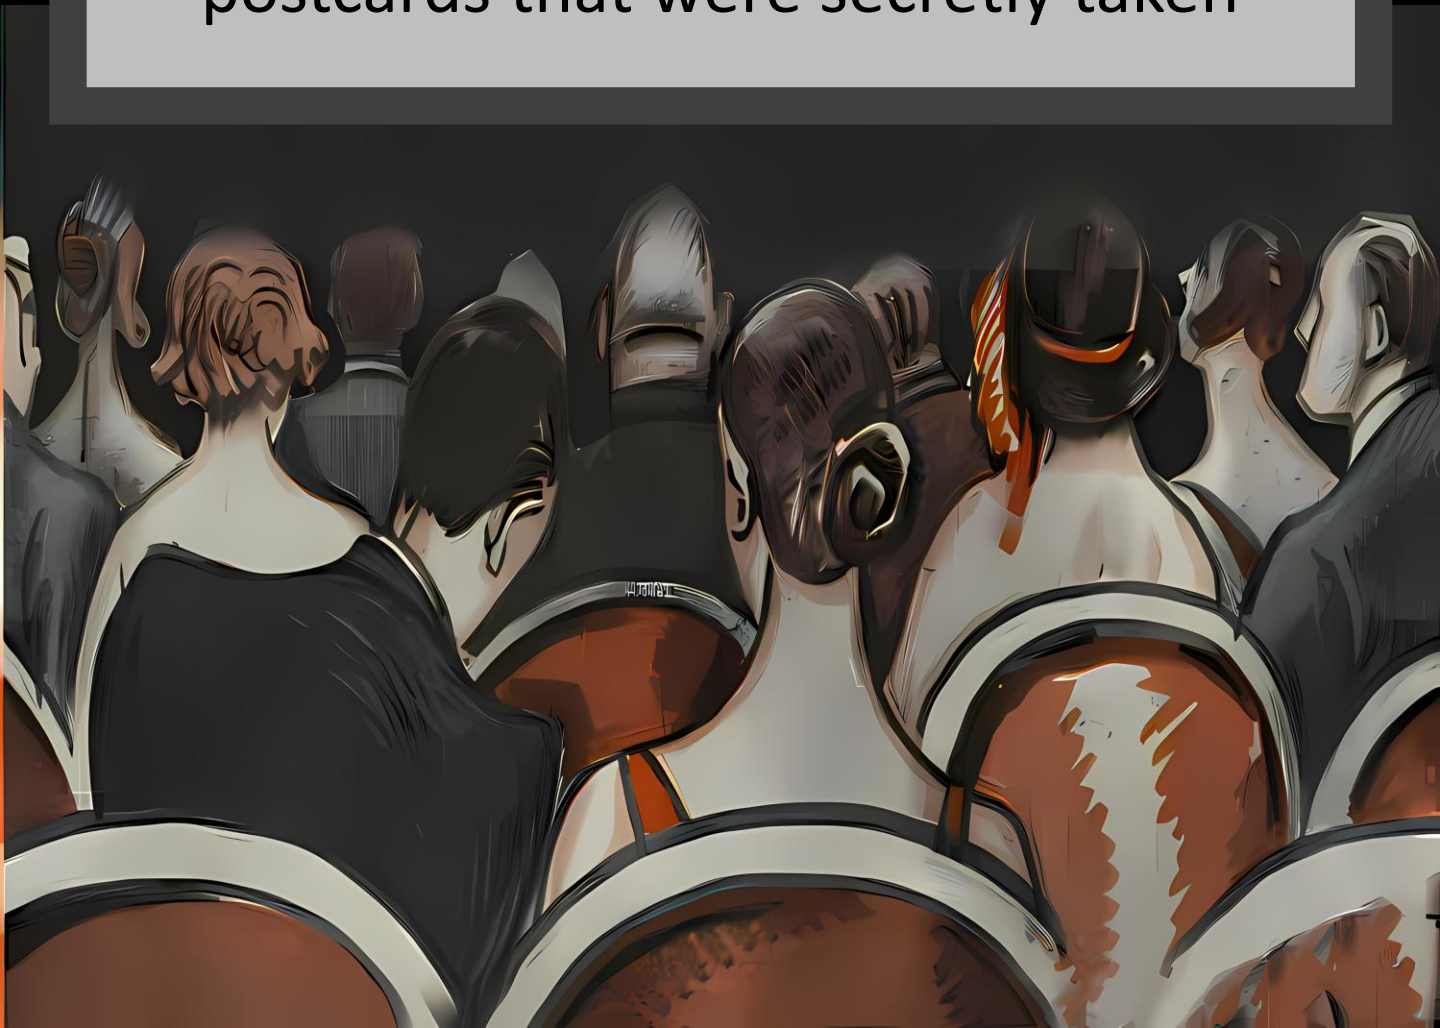
Gentleman's Gentleman” Club? Tonight, we will also perform the ceremonial cutting of the police crime tape on the booth at the back of the bar, which will henceforth be known as the "Uncle Albert" Booth. This venue holds special significance as the place where "Uncle" Albert first captured attention in his quest for a legal path to immigrate into the



enigmatic realms of the Multiverse. Tonight, at the Memorial Grand Banquet Dinner Theater—named in honor of another great seeker of truth, Karl Marx—we gather to commemorate a lifelong journey through the lesser-known corners of existence in his none ending effort(s) to uncover the lost wisdom that would, again, enable CIS humanity to ascend to the higher



frequencies of the Multiverse's eight spheres, despite the longstanding restrictions imposed by Multiverse Immigration, which prevent CIS Humans from obtaining even day passes or group tours. Our presentation begins with a segment of Uncle Albert's once-banned slideshow, which, according to experts on his work, features postcards that were secretly taken



from the Star Port #22 Gift Shop and Emporium during his infamous day trip to the star port's immigration processing center.
To obtain an event permit from the city zoning commission, we must inform you that some individuals may experience discomfort or, in rare cases, faintness.
This reaction stems from health authorities' claims of mental

manipulation when they originally banned his *"Traveling Show of Multiverse Wonders"* Tour in the 1920s.

Let us raise our glasses this evening in honor of a true gentleman, Mister Albert Meyer. Here's to you, Uncle Albert!
